

Thank You

“

On behalf of the Board of Directors for the International Black Women's Public Policy Institute (IBWPPI), I want to thank our Sponsors, Program Participants, Production Team and Volunteers for their contributions to the overwhelming success of the We See You Awards International.

The evening was special, décor and food amazing, with great music by Saleem Waters, poetry by International Poet, Tammilee Jules, and a dynamic mistress of ceremonies, Dr. Avis Jones-DeWeever.

Thank You and please SAVE THE DATE for 2023, when we will do this again!

Always In Peace,

Barbara A. Perkins, President & CEO

International Black Women's
Public Policy Institute
